

BRADFORD WOODS MANOR HOUSE

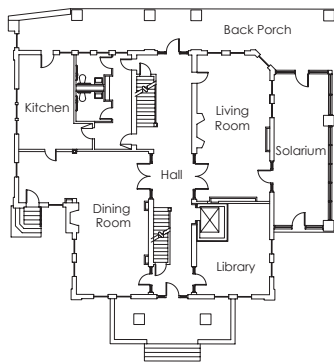

Main Floor & Basement

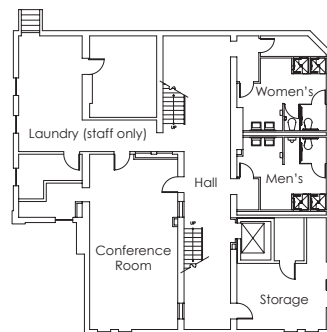

The historic Bradford Manor House was built by the Bradford brothers between 1909 and 1912, largely using materials source directly from the property. The house was renovated and updated in the 1990s to be in compliance with the Americans with Disabilities Act. Today, the Manor House is available for rent by camps, businesses, families, non-profits, and more.

The main floor of the Manor House has a living room, dining room, library, and solarium. The dining room can comfortably sit between 30 and 40 guests.
